NOTIFICATION

Sub: Empanelling of Environmental auditors

Ministry of Environment, Forest & Climate Change Government of India has issued Notification dated: 23.11.2016 and as per the Notification, industries require to obtain Environmental clearance before change of product result in increase in pollution load.

In the said Notification for industries undergoing change of products and if the total production is within the permissible production capacity and as well as there is no increase in overall pollution load such industries shall obtain “No increase in pollution load certificate” from the respective Pollution Control Board through a committee constituted by the state Board. As per the said Notification, it is also required by the State Board to empanel environmental auditors and reputed institutions for the purpose of verifying all facts and issue certificate of No increase in pollution load in respect of industries undergoing change of products which in turn enable the above committee to examine and certify on the matter.

The Board issued Notification in this regard dated 30.10.2017 inviting applications from the Environmental Consultants / Reputed Institutions “for Empanelment Environmental Auditors” along with all necessary documents. The Board after scrutiny of the applications received from the Environmental Consultants / Reputed Institutions hereby empanels the following Consultants / Institutions as environmental auditors for the purpose of issuing certificate of no increase in pollution load in change of product mix applications.
