Circular

Sub : Implementation of ISO 14000 in industries – reg.
Ref : Proceedings of 197th Board Meeting held on 26.03.2015

-----*-----

The Board in its 139th Meeting held on 21.6.2001 had resolved that " ISO 14000 certification is to be made compulsory for highly polluting industries in phases". However, obtaining ISO 14001 certificate is voluntary; in the consents issued for 17 category highly polluting industries, a condition is stipulated that "the industry shall adopt EMS in line with ISO 14001"

CAG in its audit has observed that even though the Board has resolved that ISO 14001 certificate is to be made compulsory for highly polluting industries, only 276 industries (7.82%) have obtained ISO 14001 certification.

The Board in its 197th Meeting held on 26.3.2015 discussed the subject in detail and resolved that " Highly polluting industries shall adopt "Environmental Management System" as per the ISO 14001 norms/requirements on voluntary basis."

Accordingly, the condition as resolved by the Board be stipulated in the consent order henceforth.
