No. PCB/Chairman Office/2017

Dated: 16.6.2017

**PRESS NOTE**

The Hon'ble Supreme Court in its judgement passed in Writ Petition (Civil) No.375 of 2012 on 22.2.2017 has directed that all the industries are required to set up primary treatment plant within three months.

The Board has under taken exercise to identify water based industries coming in the Vrushabavathy catchment area (leading to Byramangala tank). There are 474 water based industries in the catchment area that are mainly falling into the sector viz. Surface treatment and electroplating, Bulk Drug and pharma, Dyeing and washing, garment washing, Service stations, plastic recycling with washing, batteries, Automobile/ Engineering and others. The said industries are required to treat and recycle the effluent completely within the premises to comply with the Hon'ble Supreme Court directions forthwith. There should not be any discharge of untreated/treated effluents into V-valley vis-à-vis Byramangala tank directly or indirectly. The non-compliance of the Hon'ble Supreme Court directions by the industries attracts penal action under the Water (Prevention and Control of Pollution) Act, 1974. The list of water based industries in the V-valley is published in the Board's website at <http://kspcb.gov.in>

LAKSHMAN  
CHAIRMAN

**KARNATAKA STATE POLLUTION CONTROL BOARD**
