CIRCULAR

Sub: Usage of refused derived fuel by the industries – reg.

The Ministry of Environment, Forest and Climate Change, Government of India has notified the Solid Waste Management Rules, 2016 under Environment (Protection) Act, 1986.

The Rule 18 stipulates the Duties of the industrial units located within one hundred km from the refused derived fuel and waste to energy plants based on solid waste reads as under;

"Duties of the industrial units located within one hundred km from the refused derived fuel and waste to energy plants based on solid waste- All industrial units using fuel and located within one hundred km from a solid waste based refused derived fuel plant shall make arrangements within six months from the date of notification of these rules to replace at least five percent of their fuel requirement by refused derived fuel (RDF)so produced".

The time limit stipulated is already over on 7.10.2016.

In view of the above, all the units which are located within 100 kms from the refused derived fuel and waste to energy plants based on solid waste shall inform the Board, the action taken by them to comply with the Rule 18 of the Solid waste Management Rules, 2016 within 7 days.

All the Regional Officers shall monitor and submit report without fail.

To.

1. All RSEO's.
2. All the Regional Officers of the Board for necessary action and to communicate this circular to the concerned industries in your jurisdiction and to monitor.
