(2) On receipt of an application for consent under Section 21, the Board may depute any of its officers accompanied by as many Assistants as may be necessary to visit and inspect any place or premises under the control of the applicant or the occupier to which such application violates for the purpose of verifying the correctness or otherwise of the particulars furnished in the application or for obtaining such further particulars or information as such officer may consider necessary. Such officer may, for that purpose, inspect any place where emission from the chimney or fugitive emissions from any location within the premises of the industry as also any control devices installed in the said premises. Such officer may, for that purpose, inspect any place or premises under the control of the applicant or occupier, and may require the applicant to furnish to him any plan, specification or other data relating to control equipment or systems or any part thereof that he considers necessary.

(3) Such officer shall before visiting any premises of the applicant for the purposes of inspection under sub-rule (1) give notice to the applicant of his intention to do so in Form II. The applicant shall furnish to such officer all facilities to conduct the inspection.

(4) An officer of the Board may, before or after carrying out an inspection under sub-rule (1) require the applicant to furnish such additional information or clarification as he may consider necessary for the purpose of investigation of the application and may for that purpose summon applicant or his authorised agent to the office of the Board.

(5) An officer-in-charge of industrial plant or occupier of the premises shall give an information of the fact under sub-section (1) of Section 23 to any of the officers of the Board, Deputy Commissioner, Sub-divisional Magistrate, the nearest police authority and the local authority including panchayat, Public Health Department and Department of Industry.

[20-A Directions.—] (1) Any direction issued under Section 31(A) shall be in writing.

(2) The direction shall specify the nature of action to be taken and the time within which it shall be complied with by the person, Officer or the authority to whom such direction is given.

(3) The person, Officer or an authority to whom any direction is sought to be issued, shall be served with a copy of the proposed direction, and shall be given an opportunity of not less than 15 days from the date of service of a notice to file with an officer designated in this behalf the objections, if any, to the issue of the proposed direction.

(4) Where the proposed direction is for the stoppage or regulation of electricity or water or any other service affecting the carrying on of any industry, operation or process and is sought to be issued to an officer or an authority, a copy of the proposed direction shall also be endorsed to the Occupier of the Industry, operation or process as the case may be and objections if any, filed by the occupier with an officer designated in this behalf shall be dealt with in accordance with procedure under sub-rules (3) and (5) of this rule.

(5) The State Board shall within a period of 45 days from the date of receipt of the objections, if any, or from the date upto which an opportunity is given to the person, Officer or authority to file objections, whichever is
earlier, after considering the objection, if any, received from the person, Officer or Authority sought to be directed and for reason to be recorded in writing, confirm, modify or decide not to issue the proposed direction.

(5) In a case where the State Board is of the opinion that, in view of the likelihood of a grave injury to the environment it is not expedient to provide an opportunity to file objections against the proposed direction, it may for reasons to be recorded in writing, issue directions without providing such an opportunity.

(7) Every notice or direction required to be issued under this rule shall be deemed to be duly served.—

(a) Where the person to be served is a company, if the document is addressed in the name of the Company at its registered office or at its principal office or place of business and is either—

(i) sent by Registered post; or

(ii) delivered at its Registered Office or at the principal Office or place of business;

(b) Where the person to be served is an officer serving Government, if the document is addressed to the person and a copy thereof is endorsed to his Head of the Department and also to the Secretary to the Government, as the case may be, in-charge of the Department in which, for the time being, the business relating to the Department in which the Officer is employed is transacted and is either—

(i) sent by Registered post; or

(ii) is given or tendered to him.

(c) In any other case, if the document is addressed to the person to be served and—

(i) is given or tendered to him; or

(ii) if such person cannot be found, is affixed on some conspicuous part of his last known place of residence or business or is given or tendered to some adult member of his family or is affixed on some conspicuous part of the land, or building, if any to which it relates; or

1. THE KARNATAKA AIR (PREVENTION AND CONTROL OF POLLUTION) (AMENDMENT) RULES, 1994

GSR 162.—In exercise of the powers conferred by Section 54 of the Air (Prevention and Control of Pollution) Act, 1981 (Central Act 14 of 1981), the Government of Karnataka after consultation with the Karnataka State Pollution Control Board, hereby makes the following rules further to amend the Karnataka Air (Prevention and Control of Pollution) Rules, 1983, namely—

1. Title and commencement.—(1) These rules may be called the Karnataka Air (Prevention and Control of Pollution) (Amendment) Rules, 1994.

(2) They shall come into force on the date of their publication in the Official Gazette.

1. Published in the Karnataka Gazette, dated 20-10-1994, vide Notification No. PEE 139 DGN 94, dated 25-8-1994

2. Insertion of new Rule 20-A and 20-B.—In the Karnataka Air (Prevention and Control of Pollution) Rules, 1983, (hereinafter referred to as said rules), after Rule 21, the following shall be inserted, namely—

"20-A Directions.—(1) Any direction issued under Section 31(A) shall be in writing.

(2) The direction shall specify the nature of action to be taken and the time within which it shall be complied with by the person, Officer or the authority to whom such direction is given.

(3) The person, Officer or an authority to whom any direction is sought to be issued, shall be served with a copy of the proposed direction, and shall be given an opportunity of not less than 15 days from the date of service of a notice to file with an officer designated in this behalf, the objections, if any, to the issue of the proposed direction.

(4) Where the proposed direction is for the stoppage or regulation of electricity or water or any other service affecting the carrying on of any Industry, operation or process and is sought to be issued to an officer or an authority, a copy of the proposed direction shall also be endorsed to the Occupier of the Industry, operation or process as the case may be and objections, if any, filed by the occupier with an officer designated shall be dealt with in accordance with procedure under sub-rules (3) and (5) of this rule.

(5) The State Board shall within a period of 45 days from the date of receipt of the objections, if any, or from the date up to which an opportunity is given to the person, Officer or authority to file objections, whichever is earlier, after considering the objections, if any, received from the person, Officer or Authority sought to be directed and for reason to be recorded in writing, confirm, modify or decide not to issue the proposed direction.

(6) In a case where the State Board is of the opinion that, in view of the likelihood of a grave injury to the environment it is not expedient to provide an opportunity to file objections against the proposed direction, it may for reasons to be recorded in writing, issue directions without providing such an opportunity.

(7) Every notice or direction required to be issued under this rule shall be deemed to be duly served.

(a) Where the person to be served is a company, if the document is addressed in the name of the Company at its registered office or at its principal office or place of business and is either—

(i) Sent by Registered post; or

(ii) delivered at its Registered Office or at its principal Office or place of business.

(b) Where the person to be served is an officer serving Government, if the document is addressed to the person and a copy thereof is endorsed to his Head of the Department and also to the Secretary to the Government, as the case may be, in-charge of the Department in which, for the time being the business relating to the Department in which the Officer is employed is transacted and is either.
(i) sent by Registered post; or
(ii) is given or tendered to him.
(c) In any other case, if the document is addressed to the person to be served and—
(i) is given or tendered to him; or
(ii) if such person cannot be found, is affixed on some conspicuous part of his last known place of residence or business or is given or tendered to some adult member of his family or is affixed on some conspicuous part of the land, or building, if any to which it relates; or
