NOTIFICATION

Sub: Final list of Re-categorization of industry/organization/activity as per the Directions of CPCB- reg.

- Ref: 1. CPCB Direction No. B-29012/ESS (CPA)/2015-16 dated: 07.03.2016
2. Proceedings of 203rd Board Meeting held on 04.04.2016
3. B.O Notification: KSPCB/717/COC/2016-17/627 dated: 04.05.2016.
4. Proceedings of 204th Board Meeting held on 21.05.2016

The Central Pollution Control Board has issued a revised re-categorization of industrial sector into Red, Orange, Green and White industries based on Pollution index which is a function of Air emissions, Liquid effluent, Hazardous waste and consumption of resources. The re-categorization list is prepared based on the relative pollution potential of industrial sectors and assigning proper weightage for water pollution, Air pollution etc by respective industries.

The CPCB has issued a direction under Section 18(1)(b) of the Water (Prevention and Control of Pollution) Act, 1974 and Section 18(1)(b) of the Air (Prevention and Control of Pollution) Act, regarding harmonization of classification of industrial sectors as Red, Orange, Green and White categories for adopting revised criteria of categorization in the respective SPCBs and PCCs vide Ref (1). A direction was also given for revision/preparation of inventory of existing Red, Orange, Green and White Categories of industries operating in the respective State jurisdictions based on the revised criteria specified in the final report.

The above directions was placed before the 203rd Board Meeting held on 04.04.2016 under ref (2) and Board has accorded approval to follow the new categorization. Accordingly, a notification was issued on 04.05.2016 cited at Ref (3).

In respect of those industries which are not covered under the CPCB re categorization list but the industries operating in the State covered by the KSPCB under consent mechanism from time to time has to be in-corporated to the main CPCB classification

of industrial sector under Red, Orange, Green and White categories. To carry out this exercise and as contained in the directions of CPCB, a committee was constituted under the Chairmanship of the Member Secretary to classify such activities under Red, Orange, Green and White categorization, which is not listed in the new CPCB list. The committee has finalized the list of the industries, which was notified by the Board during 04.01.2013 and addendum issued from time to time till 17.08.2015. The list was prepared by assigning the weightage based on the pollution index and the procedure followed in the "Final Document on Revised Classification of Industrial Sectors under Red, Orange, Green and White Categories"

The list of categorization was discussed in the 204th Board Meeting held on 21.05.2016 and after the detailed deliberations the Board has authorized the Chairman to finalize the categorization of industrial sectors into Red, Orange, Green and White category industries to notify and publish the final categorization list for implementation, duly assigning the proper weightage of Pollution Index as per the CPCB document cited at Ref (4).

Accordingly, the list of industries categorized other than CPCB lists was reworked carryfully by following the CPCB weightage criteria and the following order is notified as under and it shall be read along with the notification under ref.(3).

1. The list of classification of industrial sector into Red, Orange, Green and White which are not listed in the original CPCB is enclosed as **Annexure-I**.
2. The comprehensive list of industries (which includes CPCB list of industries and revised Board list as per annexure-I) is enclosed has **Annexure-II**.
3. The Regional Officers to adopt the revised classification of industrial sectors and prepare the list of industrial sectors as per CPCB criteria. The revised list of Red, Orange, Green and White industries/organizations enumerated by CPCB is enclosed as annexure and shall be in force with effect from 1st June, 2016.
4. In respect of SI.No.8 with respect to authorization to Health Care Establishments under the BMW Rules of the Notification cited at ref (3) stands deleted.

The conditions mentioned in the order of the earlier notification is unaltered.
